Thank You...

Thank you so much to all my dance families I cannot tell enough how much we here at KDS have appreciated your support and patronage through these trying and unforeseen times.

Working with your children brings light and love to our lives I want to thank my beautiful staff for their hard work and constant support,

I want to thank my loving family, my three kids, Mathew, Brady, and Ryann, my sister Mindi, and all my close friends for their constant love and support.

Thank you Andy For always helping me with the tough jobs at the studio and with the kids, for your expertise in building props, pulling trailers, remodeling buildings, and your calm logic and advice.

And last but not least, my parents, Margaret and Joe Richardson, who 31 years ago let me open a dance studio in their basement and helped me realize a lifelong dream They have been by my side every step of the way with support, harsh truths, and love I would NEVER have been able to accomplish much without them

Thank you my KDS beauties! Have a wonderful summer, enjoy and I cannot wait to see you back in the studio this fall!
